# THE POWER PERFORMERS— NES SOFTWARE

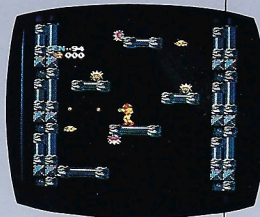

What makes a video entertainment system great is a super collection of software. At Nintendo, we take special pride in maintaining strict controls over the design and creation of all NES games.

That's why you won't find the variety, excitement or entertainment value our games offer anywhere else. You've got our word on it. Just look for our Quality Seal guarantee.

With a library of more than 90 Game Paks available from Nintendo and over 20 licensed game developers, we offer video challenge and fun for everyone.

From epic adventures and sports competitions to high flying action, target shooting and our new Power Pad games—NES software puts the power of performance in your hands.

**P**layers demand quality software. The Legend of Zelda™ and Mike Tyson's Punch-Out!!® have each sold over 1 million copies.

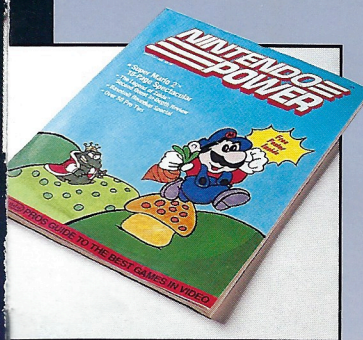

# WE'RE THERE WHEN YOU NEED US

Customer satisfaction is a priority at Nintendo. That's why we've developed these player-support programs to provide the help and information you need to get the most from your system.
